

Request for Criminal Record Verification Students & Education Agency Staff

The student / education agency staff member below is being considered for an education placement experience with Horizon Health Network. Horizon is an environment where a student or an on-site instructor will come in direct contact with vulnerable people including: children, youth, senior citizens, and people with physical, developmental, emotional, social or other disabilities.

Required are a clearance letter and a criminal record check for sexual offence for which a pardon has been granted or issued.
