

A Health Sciences'

MULTIFAITH GUIDE

Spiritual and Religious Care Department
Niagara Health System - Welland Hospital Site

This package was first produced by *Kris Bouck & Bob Bond*, Welland County General Hospital, in 1993. Information for the profiles was obtained from the Ontario Interfaith Guide-1986, the Multifaith Information Package-1991, by personal interviews, and literary research.

In 1994, the Guide was revised by *Lee Barnai & Bob Bond*, Welland County General Hospital, incorporating "feedback" from the first edition, and working toward a more user-friendly format. Additional research was conducted as well, and the accuracy of the contents was verified by district/provincial/ national offices of all co-operating Faith Groups covered by this Guide.

On-going feedback from users, and contributions from the Faith Communities themselves, culminated in a 1996 edition by *Bob Bond*.

If, during your use, you notice any corrections or additions which you believe are pertinent, please feel free to write to:

CHRISTADELPHIAN

RELIGIOUS ELEMENTS	HOLY DAY OBSERVATIONS
<p>* Founded by John Thomas (1805-1871).</p> <p>* Strict monotheists: there is one God, the Father, who created the world and has purpose for it.</p> <p>* The Holy Spirit is God's own power, by which He works out His will.</p> <p>* Jesus is the Son of God; also son of man born of the virgin Mary. Jesus overcame all temptation and died to save his followers from sin and death. God raised Jesus from the dead. Jesus ascended to heaven, but he will return, and will raise & judge the responsible dead, rewarding immortality to the faithful. Jesus will be King over the restored Kingdom of God in Israel, and over the whole world.</p> <p>* The devil is not a supernatural being but is another name for sin, destroyed only in Jesus.</p> <p>* Salvation involves (1) covering from sin through Christ, and (2) freedom from sin and death at his second coming. Repentance and baptism into Christ (adult immersion) are necessary for ultimate salvation; so is the following of Christ in one's daily life.</p> <p>* When man dies he ceases to exist ... there is no further conscious existence. Resurrection of the faithful, at Christ's return, is the only hope for new life.</p> <p>* Each assembly (congregation) is autonomous. The assembly is a lay community whose leadership is elected or appointed to serve, without remuneration.</p> <p>SCRIPTURE</p> <p>* The Holy Bible (any reliable translation) - this is the only true message from God, and is entirely given by Him.</p>	<p>* Sunday is the weekly meeting for the purpose of worship, exhortation, and the Memorial Service (sharing of bread and wine in memory of Jesus Christ). Also held are Sunday School Classes for children and adults.</p> <p>* Mid-week Bible Study Classes are offered for further advancement of scriptural knowledge.</p> <p>* Public Lectures are held regularly for the proclamation of the Gospel message.</p> <p>* Christadelphian Youth Circle - a Bible Study, recreation and social activity for young people.</p>
