Posting #: 18-0507

Permanent Part-Time position

Location: Sudbury, Ontario

A dynamic and growing health care environment awaits you in Sudbury Ontario: Canada's happiest city! Surrounded by provincial parks and over 200 lakes, Greater Sudbury has over 160,000 residents and is a rich mix of urban, suburban, rural and wilderness environments. Just a one hour flight or four-hour drive of Toronto; here, you will experience the balance of a challenging clinical career and a comfortable lifestyle, right in the heart of Northern Ontario's largest city.

Health Sciences North (HSN) is seeking a Chaplain to provide spiritual and religious care to assess spiritual and emotional needs of patients, families, staff, and volunteers. The role operates within a continuous improvement culture using Lean principles focused on improving work and care at HSN.

The successful candidate should have a four (4) year Bachelor's Degree in Religious Studies, Philosophy, Theology, or in a related field, from an accredited religious institution or university and have current Certification of Registration Psychotherapists of Ontario (CRPO). In addition, the incumbent must have successfully completed one (1) Clinical Pastoral Education (CPE) unit authorized by the CASC or equivalent. Preference will be given to candidates with membership with the Canadian Association for Spiritual Care. We are looking for a candidate with a minimum of two (2) years' experience working as a Spiritual Care Professional within a Health care environment.

The full job description can be viewed on the HSN Careers Website.

Interested applicants are asked to apply directly to **posting # 18-0507** by **July11, 2018** at 4:00 pm on the HSN Careers Website at hsnsudbury.ca/careers.

Health Sciences North (HSN) is a regional resource and referral centre for over 600,000 residents across northeastern Ontario. It features state-of-the-art technology with over 3,900 employees, 800 volunteers and a medical, dental and midwifery complement of 260. HSN has become a Research and Academic Health Science Centre affiliated with the Northern Ontario School of Medicine and the Advanced Medical Research Institute of Canada.
